

How To Access Your Child's Grades and Attendance Through the Internet

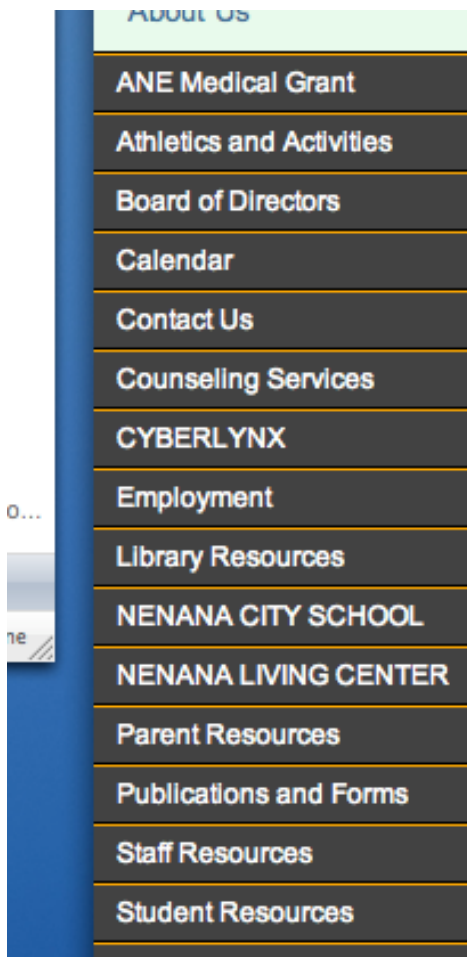

Nenana City School uses Powergrade, a student Information System, to record student progress. This system allows you, the parent, to access the student progress any time of the day or night. You may access it through the school web site, <http://nenanasd.org>.

It is a safe and secure system that is password protected. Each student is assigned a user id and password. The parent will be sent a password and user id. (Contact the school if you have not received the user name and password.)

The process to access the system is as follows:

1. Log on to the school web site at <http://nenanasd.org>
2. On the left side of the web page is a list of resources

Click on Parent Resources

3. Select access Power school from outside the school
